

Alberta Native Friendship Centres Association

National Youth Representative Report

Hello,

It is once again great to be here with you all. Since our last quarterly meeting I have little to report on having participated in one of two scheduled conference calls.

The AYC is planning and preparing the National Youth Forum to be held in Winnipeg, Manitoba this July.

The AYC was updated at the last conference call on workshops and themes; unfortunately with everything going on in my personal life I was unable to make this conference call. I've been waiting for meeting minutes to report accordingly.

The Friendship Centre youth success stories were submitted to the AYC VP to include in the NAFC and BCAAFC success story document. I would like to take the time to extend my appreciation to the youth representatives that contributed their stories to this document.

I maintain my participation on the AYC P&P committee. We continually revise this document to ensure we deliver our business accountable to our membership and Centers while also fostering unity and team building.

I hope to have more information to report to you all by the June quarterly. I will be participating in another conference call June 2, 2011 where I will receive another update on the upcoming youth forum.

As always,
In friendship

Jamie Linington
